Total			\$ 719.44	

About Pending Transactions:

Pending transactions are charges that temporarily display on your account while being processed, and can also represent placeholder amounts-sometimes as low as \$1.00.

- You may see a different amount or description between pending and posted transactions, especially with gas station transactions.
- Transactions will appear in your "Posted Activity" once they have finished processing.
- Pending transactions generally post within 3 days; however, please allow up to 10 calendar days.
